Is your Business Strong enough to Survive a Crisis?

Is it strong enough to survive day to day hic-ups?

Is it making you as much money as it can?

Where are my Business Opportunities & Blind-Spots?

Identify opportunities for boosting your profits quickly!

This quiz covers the 5 key areas of your business:

1. Commitments
2. Compliance
3. Money Savvy
4. Operations
5. Staffing

So, not all questions are related to finance – this test gives an overview indicating where your current pain points are most likely to be, and consequently reveals where you have opportunities to best focus for more profit.

With 40 questions it is quite comprehensive; plus all the answers are only YES, NO or MAYBE so generally this takes around 4 minutes to get through (*the current average is 4.3 minutes; I'm not kidding – this is quick and simple!*)
