Jaki Sippo

It is something I knew I had to do for my new business but wasn't sure where to start. Getting "exit ready" streamlined my day to day business operations, as well as increasing the overall business value.

[Eve Diamond](#)2021-09-16T15:36:22+10:00

Kylie Davis

Having Eve on my side was a godsend. She is a combination of business adviser, CFO and personal coach. She taught me more about my business and how to structure it for growth than anyone else – and saved my backside on many occasions!
